

Oscar's Wine Room

The Oscar's Wine Room is a private dining room that can accommodate up to 20 people. This is an excellent room for business meetings, birthday parties, neighborhood gathering and all special occasions. The room is very private with a door that is closed throughout dinner. If you want a special room that provides privacy, this is it. Listed below are some Wine Room Facts:

- 1- We do not allow any decorations in the room (pictures, posters, light fixtures) that have to be fixated on the walls or ceilings. We do allow flowers, center peices for the tables (center pieces) and candles as long as the candle does not have an open flame.
- 2- All wine is prices a state minimum plus a \$10 corkage fee (unless you are buying library wines). This is a wonderful opportunity to experience quality wines at reasonable prices. We do not allow the guests to bring in their own wine – it is against the law.
- 3- Guests may choose from over 120 selections of wine
- 4- Smoking is not permitted.
- 5- No discounts or coupons are applicable in the room
- 6- The party has the option to have an open menu or a set menu. Please discuss with the manager.
- 7- The room is open for lunch and dinner weekly.

 - b. Dinner minimum \$350 (includes food, beverage and tax)
- 8- There is a room charge for the private room that is gratuity for the server.

We appreciate your interest in our private room and would appreciate accommodating your upcoming party. Please contact us at your earliest convenience if you have any questions.

Thank you for your time and we hope you decide to dine with us in the future.
